GENERAL ORDERING INFORMATION

When ordering, please be sure to state model number, frame finish, fabric group and color and any options

TERMS: Net 30 days

MINIMUM ORDER: None unless specified

NOTE:
All orders are subject to acceptance by MLP Seating Corp. Any written or phoned order is considered final. Our order confirmation is binding and review of the information is the customer's responsibility. Any subsequent change is subject to approval by MLP.

MATERIAL:
Refer to swatch cards for approximate color and group number. Any fabric may be specified for any chair except where noted. Dye lots may vary slightly. To match existing furniture, please include a cutting from the underside of existing seat with order.

CUSTOMER OWNED MATERIAL (C.O.M.):
Requirements - 12 chairs or more minimum. A 1 yard sample of the material must be submitted to MLP Seating Corp. for evaluation and calculation of actual yardage required.

MLP reserves the right to refuse C.O.M. orders where material may not be suitable for upholstery on our products because of pattern, weight, width, stretch, etc. Some materials may be unsuitable if they do not have a backing. Additional sewing charge may apply when adding extra stitching to C.O.M. fabric.

MLP is not responsible for the quality and durability of any material supplied by the customer, C.O.M. When chairs are upholstered with C.O.M. the one year guarantee on upholstery is void if determined by the factory that workmanship was not the cause of the failure. Customers should contact the supplier of the fabric for warranty information.

All C.O.M. fabrics must be sent prepaid to MLP Seating Corp. Please have the supplier tag the fabric with the following information:

Customer Name
Total yards shipped
Pattern identification
Customer's P.O. to MLP

CANCELLATION:
Cancellations are subject to a cancellation fee, which will vary from 25% to 50% of the purchase price.

SHIPPING INFORMATION:
All shipments are F.O.B. Factory - Elk Grove Village, IL. Approximate shipping weights and cube are indicated wherever possible. Some products, however, are packed in variable quantities affecting the shipping weights and cube depending upon the size of the shipment.
Carton quantity can be affected when shipping UPS.

LEAD TIME:
Lead times vary for types of products and options. Consult factory for lead time on specific products.

RETURNS:
Returned merchandise will be accepted only with prior authorization. Please contact the factory for a Return Goods Authorization number. Customer pays freight on all returns. Reprocessing charges vary by item. Items should be in their original packaging.

GUARANTEE:
MLP Seating Corp. guarantees all products to be free from defects in materials and workmanship for a period of 1 year. We will repair or replace at our option any product determined to be factory defective. In addition, metal frames and bases are guaranteed for 10 years under normal intended use. Wood frames guaranteed for 1 year under normal intended use

CARE INSTRUCTIONS:
Frames: To clean the painted or plated finish wipe with a damp cloth, moistened with soap & water.
Upholstery: For soiled vinyl surfaces on seats and backs use soap & water, with a soft towel. Spills on fabric should be blotted with a dry, soft towel then lightly rubbed with a mild soap & water mixture. Use a clean towel and cold water to remove any remaining soap and dirt residue. Finish by blotting with a clean dry towel.
USE AND MAINTENANCE: Chairs or stools are intended for seating purposes only. Frequent inspections for possible damage should include swivel, weldments, glides, seat and back attachments, and any other areas of stress or wear. Assemblies using screws or bolts should be periodically checked for tightness. *Damaged seating should be removed from use immediately.*

In connection with any and all disputes arising out of the order for, or purchase of, products ("Products") manufactured, assembled, upholstered and/or distributed by MLP Seating Corp. ("MLP Seating"), each purchaser ("Purchaser") of Products hereby irrevocably submits, consents, and waives any objection, to the jurisdiction of any court of competent jurisdiction sitting in Cook County, Illinois and waives any objection to the bringing of venue in any such court. Purchaser admits that any such dispute may be resolved at least as conveniently in such a court as in any other court and shall not seek dismissal or a change of venue on the ground that resolution of such a dispute in any such court shall not be convenient or in the interests of justice.

Attorneys' Fees. In the event that MLP Seating shall be forced to take legal action in order to collect any amount due by Purchaser in payment for Products, Purchaser shall be fully liable for payment of all attorney's fees and court costs incurred by MLP Seating in connection with such action.

Applicable Law. Purchaser hereby agrees that any and all disputes arising out of Purchaser's order for, or purchase of, Products from MLP Seating shall be resolved in accordance with the laws of the State of Illinois, without regard to the provisions thereof regarding conflicts of law.

Limited Liability of MLP Seating: No Setoff. Purchaser shall be solely liable for any loss of or damages to Products, which shall occur after the date of delivery of such Products to Purchaser. No liability of MLP Seating in connection with its sale of Products to Purchaser shall exceed the price allocable to the Products, which give rise to the claim. In no event shall MLP Seating be liable for Purchaser's anticipated profits or for incidental or consequential damages or for penalties of any description. Purchaser shall not be entitled to deduct from the purchase price of any Products any amount believed by Purchaser to be due from MLP Seating to Purchaser.

Waiver. The failure by MLP Seating to enforce at any time or for any period of time any one or more of it's rights in connection with the sale of Products to Purchaser shall not be construed to be a waiver of such right or of the right of MLP Seating thereafter to enforce each such right.

Force Majeure. The obligations of MLP Seating to the Purchaser in connection with the Purchaser's order for purchase of Products from MLP Seating shall be suspended by the occurrence of any unforeseeable event beyond the control of MLP Seating, such as acts of God, war, mobilization, riot, sabotage, explosion, casualty, power failure, inability to obtain suitable and sufficient labor or materials or government action, law or regulations restricting performance; provided, however, that MLP Seating shall take reasonable measures to remove the disability and resume operations at the earliest possible date.
